## Donation Information

Although NMESC does not solicit donations as a result of search efforts, often family and friends of lost or missing subjects will make donations to the State of New Mexico or the NMESC. NMESC is the organization that distributes the monies in accordance with NMESC Donation Disbursement Plan. According to this plan any monies received are divided equally to all teams participating in the mission in accordance with NMESC's written policy.

Please list a name and address to which checks for donation disbursements should be sent.
